Elaborate
Build a state for a lost generation
Last Decade
Soon to Fade
All seems desperate, but it's never too late

Out of the ashes of heaven and hell
we stand close, side by side.
From the deepest depths we shall
rise into the blazing light.

Deprecate all the rules of the father
Regenerate

All we see, when barriers fade away: yet unseen

territory

All we know: the rising from below leads us into infinity
