Corporate takeover, take them over - Take them over,
corporate takeover
Corporate takeover, take them over Â– Take them over,
corporate takeover
Corporate takeover, take them over - Take them over,
corporate takeover
Corporate takeover, take them over Â– Take them over,
corporate takeover

Open up your mind and close them books
Stop what you're doing and take a look
All that shine and all that bling
All of it meant so you don't see a thing
Focus on the TV. ignore the soul
Laughin at the bank while their folding their roll
People losing jobs, defaulting on their loans
Losin their cars, losin their homes

Corporate takeover, take them over - Take them over,
corporate takeover
Corporate takeover, take them over Â– Take them over,
corporate takeover
Corporate takeover, take them over - Take them over,
corporate takeover
Corporate takeover, take them over Â– Take them over,
corporate takeover

Ultimate distraction is your mass attraction
Spending all your cash on the latest fashion
Convinced it gets better if you just buy that
Keep on consuming so the bank gets fat
Gotta stop the wheel, gotta bring it down
Take back the stores in our own damn town
This is our chance, chance to get back
For their evil plots and their marketing attacks

Corporate takeover, take them over - Take them over,
corporate takeover
Corporate takeover, take them over Â– Take them over,
corporate takeover
Corporate takeover, take them over - Take them over,
corporate takeover

Corporate takeover, take them over Â– Take them over,
corporate takeover
