Pepe, killer punk rock pit bull fighter
Chihuahua, Chihuahua wa, Chihuahua, wa wa wa wa
Chihuahua

Come in the morning and get some food
He's gonna want some bacon from you
Simple meaning to his life
Is his endless search for French fries
He's a serious little Mexican dude
So you best not get between him and his food

Pepe, killer punk rock pit bull fighter
Chihuahua, Chihuahua wa, Chihuahua, wa wa wa wa
Chihuahua

Dog in half-baked, he aint shit
Pepe would make him suck his dick
We know the pep would fuck him up
Then climb in his mouth and take a dump
With a switchblade you know he is quick
Slashing your ankles, leaving you limp

Pepe, killer punk rock pit bull fighter
Chihuahua, Chihuahua wa, Chihuahua, wa wa wa wa
Chihuahua

True he's a real little guy
But the size of his cock is a huge surprise
His best friends an asian leopard cat
Because you know he's got, got pussy like that
To all the ladies he's a pimp
He likes to play just the tip
Just for a minute
Just for a minute
Just for a min-in-in-a-wa-wa-wa
Chihuahua
