With Coolio

Smoking, drinking, feeling fine, party hustle all the time

Rock & Roll is all we know, let my party people go

Go, Go, Go, Go, Go

Smoking, drinking, feeling fine, party hustle all the time

Rock & Roll is all we know, let my party people go

Come on party people, let's set it free

Screw what they saying, their hypocrisies

The don't do this, the can't do that

Just another way to hold our people back

Born a free man, to a free land

The right wing chumps having taken command

Of how I live & what we wanna do

I scream this now, I scream it to you

Smoking, drinking, feeling fine, party hustle all the time

Rock & Roll is all we know, let my party people go

Go, Go, Go, Go, Go

Let me ask if you ever had a plan

Had that screwed up by the man

That the type of shit I just can't see

As a part of my being free

Don't smoke weed, no don't inhale

Or this drug test you will fail

That aint cool no that aint right

& If that aint cool, then we got to fight

Smoking, drinking, feeling fine, party hustle all the time

Rock & Roll is all we know, let my party people go

Go, Go, Go, Go, Go

He's smoking, drinkin, feeling fine, He's smoking,
drinkin, feeling fine

He's smoking, drinkin, feeling fine, He's smoking,
drinkin, feeling fine

Y'all aint ready for this old school wild style
Gangsta block party from a long time ago
It's Coolio with a flow, of course I'm fresh
There's a party over here, so fuck the rest
I'm comin from the west, with a tec & a vest
And a Run DMC dookie chain on my chest
Yes we the best in the whole solar system
We stay drinkin & smoking & smoking & drinkin

Smoking, drinking, feeling fine, party hustle all the
time
Rock & Roll is all we know, let my party people go
Smoking, drinking, feeling fine, party hustle all the
time
Rock & Roll is all we know, let my party people go
Smoking, drinking, feeling fine, party hustle all the
time
Rock & Roll is all we know, let my party people go
