I, got it bad for you baby
Why, can't somebody save me
Lies, its myself I'm fooling
I, try to keep it cool, yeah

Burning up my hearts on fire
If love is a drug can't get no higher
I don't want to be undercover
I wanna be your super lover
Can't stop the pain this girl drives me insane

I got a Crush
Looks so good should be a crime
Crush she don't go for pick up lines
Crush so I can't speak
Crush my knees go weak
Crush walk up and say I got a crush on you baby

Blind, cant get out of the shadows
I'm trying, telling you is half the battle
I, got to get it together
Its time, its now or never

Lying alone in this empty bed
Dreams of you all through my head
I wanna make us a reality
You can't make love to a fantasy
This lying game is gonna drive me insane

I got a Crush
Looks so good should be a crime
Crush she don't go for pick up lines
Crush so I can't speak
Crush my knees go weak
Crush walk up and say I got a crush on you baby

Crush Crush Crush
I got it bad for you baby you know I got a
Crush

Looks so good should be a crime
Crush she don't go for pick up lines

Crush so I can't speak
Crush my knees go weak
Crush walk up and say I got a crush on you baby
