Steal away, let's steal away  
No reason left to stay  
For me and you, let's start anew  
And Darlin' let's steal away

Repeat

Let's steal away and chase our dreams  
And hope they'll never find us  
The weary days, the empty nights  
We'll leave them all behind us

Chorus:

Steal away, let's steal away  
No reason left to stay  
For me and you, let's start anew

And darlin' let's steal away

We'll leave behind us the empty streets  
The gloom and desolation  
The rain, the cold, just growing old  
God knows it's a hard out station

Chorus

We'll leave with just our memories  
And we'll make a new begining  
For we have to choose, to win or loose  
And it's time that we started winning

Chorus x2
