Face turns black
Swollen eyes
Fall down dead prey to disguise
Such a pretty face you filled your mouth with
Fuck you glutton joke you're all the same

Turn away face the money
Dip your hand into the honey
Such a pretty fate you filled your head with
Pleasures for the rich so close you are

Simplicity it's so easily led
All your life could go easily unsaid

I can't wait till you're gone, leave me in peace
I'm so much more you'll never see
So much more you'll never be

A picture framed of you and someone
She knows your name but she doesn't like you
Such a pretty face you filled your head with
Fuck you glutton joke you're all the same

Simplicity it's so easily led
All your life could go easily unsaid

I can't wait till you're gone, leave me in peace
I'm so much more you'll never see
So much more you'll never see
So much more you'll never...

Sucking the mother dry.
It's the age old sin.
Sucking the mother dry.
It's the age old sin.

I can't wait till you're gone, leave me in peace
I'm so much more you'll never see
So much more you'll never see
So much more you'll never see
So much more you'll never see

So much more you'll never see
I'm so much more, I'm so much more
I'm so much more you'll never see
So much more you'll never see
So much more, so much more
I'm so much more you'll never be
