Can we sever ties
When we get in close?
Take it from inside
Before they ever know
And if we work it nice and slow
Down we go
Take our time
Under watchful eyes
It's enticing as we go
Who will know?

Only a stone from King's Canyon
Only a stone
So I make my way my own
Just a stone from King's Canyon
Only a stone
Tell me who will ever know

Can we settle scores
Before the will gets cold
Can we level more
Before the windows closed
If we take it nice and slow
When we go

Only a stone from King's Canyon
Only a stone
I will make my way my own
Just a stone from King's Canyon
Only a stone
Tell me who will ever know

Just a stone from King's Canyon
Only a stone
I will make my way my own
Just a stone from King's Canyon
Only a stone
Tell me who will ever know

Only a stone from King's Canyon
Only a stone

I will make my way my own
Just a stone from King's Canyon
Only a stone
Tell me who will ever know

Just a stone
Who could notice here
In the bones and the locust
Just a stone
Just a stone from King's Canton
Only a stone
Tell me who would ever know

If we take it nice and slow
Tell me who will know
