Your hands didnt move  
well neither did mine.  
New Years will bring  
so much to say  
but nothing comes out right  
both of us left without words  
both of us lost in this world  
it's softer than ever before.

And you were the outline  
of everything you would become.  
The keeper of these hands.  
To hold you now  
it is a far cry more than anything that I deserve.

I'm waiting to give you whatever the world may bring  
I'd give you my life

cause I don't own anything.  
It seemed like the bottom was all that I had until now  
I'd give you my life  
if you'd give me yours somehow.

Your hands didn't move  
well neither did mine  
New Years will bring me to you.  
I'm waiting to give you whatever the world may bring  
I'd give you my life  
cause I don't own anything.  
It seemed like the bottle was all that I had until now  
I'd give you my life  
if you'd give me yours somehow.
