How did you find me here?  
I covered every track  
I kept no souvenir  
I left an open pack

To slip a thorn under  
I let my left hand down  
To leave you undeterred  
I keep my right hand up  
To slip a thorn under  
I keep my right hand...

How did you find me here  
Oh oh, so cold  
So cold  
So cold  
To find another  
So cold  
So cold

You find a path to me  
From an unwelcome place  
You kept the copy key  
Between the skin and lace

To slip a thorn under  
I let my left hand down  
To leave you undeterred  
I keep my right hand up  
To slip a thorn under  
I kept my right hand...

How did you find me here  
Oh oh, so cold  
So cold  
So cold  
To find another  
So cold  
So cold

To find another

To take me down again  
To fix another rule  
To try it hard and true  
To let it go this long  
Till it brought me back to you

So cold  
So cold  
So cold  
So cold  
So cold  
To find another  
So cold  
So cold  
To find another  
So cold  
So cold
