Remember how you left me,
How I was always open handed.
Now you have left with a grudge on your shoulders.
You ain't going to drop it like some
Diamond watch because I am the hands,
Like a clock when it goesÂ...

Tick tock it's ten o'clock.
The minute hand will be waiting to start again,
And our pages will turn again.
But my chapters won't be finished without your
Stubborn, sensitive smile.
Finished without your...

Oh just stop one minute,
I'm going to start again.
Just listen to words you wrote yourself
Here I go, here I go
Give it time, give itÂ... time
Like a clock when it goesÂ...

Tick tock it's ten o'clock.
The minute hand will be waiting to start again,
And our pages will turn again.
But my chapters won't be finished without your
Stubborn, sensitive smile.
Finished without yourÂ...

Tick tock
Tick tock
Tick tock
Tick tock (echoes)

Tick tock it's ten o'clock.
The minute hand will be waiting to start again,
And our pages will turn again.
But my chapters won't be finished without your
Stubborn, sensitive smile.
Finished without your stubbornÂ...

Tick tock it's ten o'clock.
The minute hand will be waiting to start again,

And our pages will turn again.
But my chapters won't be finished without your
Stubborn, sensitive smile.
Finished without your stubbornÂ...

Tick tock it's ten o'clock.
The minute hand will be waiting to start again,
And our pages will turn again.
