"Do Or Die"

Born to lose, and we live to win 4x
Anti up
The cards been dealt
Terror can be felt
We're placing our bets
Without the regrets

Its do or die 3x
The stakes are high

The dealer is mad
We won't fold our hand
In god we don't trust
This is not a bluff

Its do or die 3x
The stakes are high

Life's a gamble death's unlucky
There's no such thing as double or nothing
Now pay the fuckin' price
Can't afford to laugh or life in the past
There's only one chance
And we're not coming back
Have no fear
All we got is time
Learn to see the signs
Kings and queens can fall
Aces rule us all

Its do or die 3x
The stakes are high

We're true to the game
These eyes show no shame
So read them and weep
We're playing for keeps

Its do or die 3x
The stakes are high

The one with the most heart wins and the rest will lose
4x
