I, I've got my enemy inside of me
I hate this little I that's torturing me
do you know I, I fight against myself and I hate to lose
oh I, I can never say which way my other I might choose

enemy mine
a shiver down my spine
enemy mine

oh do you know I, I'm trying to love you, but
I'm so afraid of me
I look at my reflection but is it me I see?
do you know I, sit in a glasshouse and I throw the first
stone
I, never get rid of me, when I want to be alone

enemy mine
a shiver down my spine
enemy mine
enemy mine
a shiver down my spine
enemy mine
why can't you
why can't you decide

there's nothing to be concerned about except
myself and I
there's nothing to be concerned about except
myself and I

I want to change my skin like snakes do
I want to find the hole in my fence
it seems I block myself
it seems I lock myself
in a cage where I can't find the key

I got this enemy inside of me
me, myself and I we're not a pretty good team
together
me, myself and I we're not a pretty good team
together

this little devil in me IÃƒfÃ, 've got to set him free
this little devil in me IÃƒfÃ, 've got to set him free
this little devil in me IÃƒfÃ, 've got to set him free
this little devil in me

enemy mine
a shiver down my spine
enemy mine
yeah
