

Fury In The Slaughterhouse **"Falling Apart"**

Falling apart ... right from the start
Always had harder questions
For all these flimsy answers

Falling from grace ... locked away in outer space
Saving deep emotions never touched upon

Falling apart
Falling apart

Falling apart ... right before the start
Broken heart....fallout
Lost in dirt and dust

Tried to escape vanity and hate
I'm not the one providing answers
Can barely help myself

Falling apart
Falling apart
I'm Falling apart
