You know I care a lot
I gave you everything I got
The little that I have, yeah

Between the cigarettes and coke
I always find a joke
To make you smile

And sometimes when you are down
I will come around
To put your feet back on the ground

Oh yeah
'Cause you are in love with a clown
In love with a clown

Your mom is not my friend
She didn't like the band
But that's okay with me

And the money that I make
Can't pay, the china that I break
That's okay with me

And I always spill with wine
I never come in time
I forget to wash my feet
But I give you what you need

Life is upside down
'Cause you are in love with a clown
In love with a clown

I never promised you diamonds and pearls
'Cause I would lose them somewhere in the town
You searched so hard for the men of your dreams
And what is that you found

The love of a clown
The love of a clown
The love of a clown
The love of a clown

And I always spill with wine
I never come in time
I forget to wash my feet
But I give you what you need

Life is upside down
'Cause you are in love with a clown
