I can't stand it for another day
when you live so many miles away
nothing here is gonna make me stay,
(you) took me over, let me find a way

I sold my house
I sold my motor, too
all I want is to be next to you
I'd rob a bank
maybe steal a plane
you took me over,
think I'm goin' insane

what can I do,
all I want is to be next to you
what can I do, all I want is to be next to you

I've had a thousand girls or maybe more,
but I've never felt like this before
but I just don't know what's come over me,
you took me over, take a look at me

what can I do,
all I want is to be next to you
what can I do,
all I want is to be next to you

all I want is to be next to you,
all I want is to be next to you,
all I want is to be next to you

so many times I used to give a sign
got this feeling, gonna lose my mind
when all it is is just a love affair
you took me over baby, take me there

what can I do
all I want is to be next to you
what can I do
all I want is to be next to you
what can I do
all I want is to be next to you

what can I do
all I want is to be next to you

all I want is to be next to you
