you said he was your brother
but his name was not Miller
so if you wanna cheat me, baby
you're getting a real killer

I'm on alarm now baby
be sure I'll get you if I want
I'm on alarm now baby
be sure I'll get you if I want

you said your dad is working
and you think your mother's too
but I don't love your parents
so I can't believe you

I'm on alarm now baby

be sure I'll get you if I want
I'm on alarm now baby
be sure I'll get you if I want
I'm on alarm now baby
be sure I'll get you if I want

I'm on alarm - (he's on alarm)...

I'm on alarm now baby
be sure I'll get you if I want
I'm on alarm now baby
be sure I'll get you if I want
I'm on alarm now baby
be sure I'll get you if I want
