The days are gone  
when the girls used to kiss his nose  
to wake him up in the morning.  
He looks at his wife  
once she was young  
but now she's older than himself and all that  
happened without warning.

Refrain:

Trapped today, trapped tomorrow,  
trapped in love  
and trapped in sorrow.  
Sorry my train won't stop at your station.  
Trapped today, trapped tomorrow,

trapped in love  
and trapped in sorrow.  
Sorry my train won't stop at your station  
and no explanations.

The days are gone  
when the boys used  
to bring her flowers every night  
just to please her.  
There was this man  
now she's his wife,  
they've got two kids.  
He works from 9 to 5  
he put her in a freezer.
