Ooh, I love you, baby, I love you night and day
When I leave you baby, don't cry the night away
When I die, don't you write no words upon my tomb
I don't believe, I want to leave no epitaph for two

Woh, o, wow, when I'm dead and gone
I wanna leave some happy woman living on
Woh, o, wow, when I'm dead and gone
I don't want nobody to morn beside my grave, yeah

Ooh, Mama Linda, she's out to get my eye
She's got a shotgun and a daughter by her side
Hey there, ladies, Johnson's free
Who's got the law, who's got the love to keep a man
like me

Woh, o, wow, when I'm dead and gone
I'm gonna leave some happy woman living on
Woh, o, wow, when I'm dead and gone
I don't want nobody to morn beside my grave, yeah

Woh, o, wow, when I'm dead and gone
I'm gonna leave some happy woman living on
Woh, o, wow, when I'm dead and gone
I don't want nobody to morn beside my grave, yeah

When I'm dead and gone
