I tell you complicated girls  
Are complicated lovers  
And mostly later they become  
Complicated mothers

You say you love me, I don't care  
'cause you're love won't take me anywhere  
You're love won't take me anywhere, babe  
You say you love me, I don't care  
'cause you're love won't take me anywhere  
Oh yeah

Come on not another try  
'cause the time is really wasted  
Crap declared as first class meal  
And I paid before I tasted

You say you love me, I don't care  
'cause you're love won't take me anywhere  
You're love won't take me anywhere, babe  
You say you love me, I don't care  
'cause you're love won't take me anywhere  
Hmm, hmm  
Yeah

Empty tea cups and the look of angry mothers  
A lonely angel hidden inbetween the others  
With wings so white much to white to fly  
A handicapped angel in a wheelchair passes by  
Soken wet I awake you are away  
A smile comes in my face and suddenly I say  
Jippee yo jippeyay  
Jippee yo jippeyay  
Jippee yo jippeyay

You're love won't take me anywhere  
You're love won't take me anywhere, babe  
You say you love me, I don't care  
'cause you're love won't take me anywhere

Anywhere, anyhow  
Yeah yeah

Anywhere
