The silent star will-free

For me sea allside sea

New now as it's spikewounds outside

(From) the hand's bleeding hole) thousand wicked
wide

(Evolution) woman, new will when will

(Damnation) man win will new, when will

Bulldozerthousand new 666

New landing at microcosmos-heaven

“you damned treasure

Drew the stars in sight

Inthrough

Marrow

Your fright

At last

It is light
