Close to madness  
So demanding, I can't breathe anymore  
I'll never be the same again  
Please forgive me, and forget me  
'Cause it's calling my name  
I'll never go back again, back again, back again, back  
again

Can I find some more misery?  
If it can't be you, then it must be me, and  
Can i find some more for me?  
I'll never know, I'll never go back again, back again,  
back again

Cold September, I remember  
Wishing I was away  
I'll never be the same again  
Please forgive me and forget me  
Cause it's calling my name, it's calling, it's calling it's  
calling, it's calling, it's calling

Can I find some more misery?  
If it can't be you, then it must be me and  
Can i find some more for me?  
I'll never go I'll never go back again

Time to time it gets easier  
Time to time it gets easier again, again, again, again...

Can I find some more misery?  
If it can't be you, then it must be me and  
Can i find some more for me?  
I'll never go I'll never go back again...
