("Evil" Kevin La Bounty Ã,Â©1996)
Little girl, I know you've got problems,
But it seems I'm the biggest one of all.
I don't give in so easily.
Even though you took it upon yourself,
To fuck me over time and time again,
You know I still believe. Still believed in...
You lie all day, and you lie all night!
And you're always looking for a fight!
Yet, somehow I still believed in you!
You hurt me once, then you hurt me twice!
Your eyes so cold, your heart is made of ice!
Somehow I still believed in you!
One day when you turn your head,
All the things you did,
They'll come right back to you!
