"Suzie"

This is not a movie
Things just ain't the same as your favourite video
Try standing back and move me
Next to you's a very nice place to go

Talk talk to Suzie!
"I went through a million choices."
Talk, Set it up for Suzie!
"I listened to a million voices"
And they said...
"Don't let me down" they said
"Don't let me down again"
No no...

Countdown, countdown, countdown to the
disappointment
"I'm yours, tonight!"
Countdown, countdown, countdown to the
disappointment
"I'm yours, tonight!"
Oh no no no

Read not what the stars say

There's an evil lurking round every door
It's not enough to make you leave me
And I never wanted you to go

Talk talk to Suzie!
",I went through a million choices"
Talk, Set it up for Suzie!
"I listened to a million voices"

And they said...
"Don't let me down" they said
"Don't let me down" they said
"Don't let me down again"
No no...

Countdown, countdown, countdown to the
disappointment

"I'm yours, tonight!"
Countdown, countdown, countdown to the
disappointment
"I'm yours, tonight!"

Our time is nearly gone
So take another breath
And taste this one more time again
(One more time again)

Countdown, countdown, countdown to the
disappointment
"I'm yours, tonight!",
Countdown, countdown, countdown to the
disappointment
"I'm yours, tonight!",
Countdown, countdown, countdown to the
disappointment
"I'm yours, tonight!"
