Verse I

My God now I give you my life
I'm yours for the rest of all time
Everything I am
I give it all to You

Verse II

My lips will speak well of Your name
My words will be filled with Your praise
You're my everything
I do it all for You

Chorus

King of my heart, everything I do, it's all for You
Lord of my life, this one thing is true, it's all for You

Verse III

My hands humbly take up Your cross
I'm yours, Lord whatever the cost
If I rise or fall
I'm holding on to You
One that I adore
I'm holding on to You

Chorus

King of my heart, everything I do, it's all for You
Lord of my life, this one thing is true, it's all for You
