Double cups and molly, double cups and molly
Double cups and molly, double cups and molly
Double cups and molly, double cups and molly
Double cups and double cups and molly
They want some

Double cups and molly, codeine Miley Cyrus
I'm twisted and I'm faded
I'm pouring up and driving
She foreign in reside it
She ride it like Ferrari
Give her this and let her pop it
Give her this and let her top it
Let that girl win her a Oscar
We got cumbers we got lumber
We got ice on feragamo
I got stereophones and...
I got passing blunts in loud
Got a beat that go them hunned
Got baby bottles for the leaf
I'm doped up no stunna
I'm higher than the moon,
I'm weighter than a space ship
My sleeping with the tulips
I'm flexing with the gators
I'd rather get your girl geeked up...
If you don't like to taste it

Double cups and molly, double cups and molly
Double cups and molly, double cups and molly
Double cups and molly, double cups and molly
Double cups and double cups and molly
They want some

Central station field, this... dj drake
Is it rock... is your black over that...
My doll shawty rock, my doll done one
For the girls that come off tell them order us some
water

We play that doa, we play that blue flame
Heard she on a... to bring it back again
Bring it back again
Dj see money dj funk it core
Listen always roll for me
Got... in a chair, with his hat,... I see you my nigga
We here
Salute to every dj, every dj over hours
I'm hurry...

Double cups and molly, double cups and molly
Double cups and double cups and molly
They want some

Double counter drinker, Picasso I'm a painter
Codeine in this thang, we turn some up,
congratulations
We get money
We higher than the moon
We floating like balloon
Everything in the sky, no
Everything in... , no
Everything in nasa
Everybody round here, tryina blast off, huh
My glasses they pitch black, came in with... red
Codeine in a gucci bag... hit the toe designer...
They bout the finest
The just stuck inside a frenzy
I swear they drink tail lights on candy
