Aye,  
This some real la familia shit ya nah mean  
We pass that shit  
Yeah we pass the bullshit  
Money on top of money nigga, the conversation  
Errthangs a dolla sign  
Extravagant lifestyle

[Hook]  
I got bad bitches, bitch so bad  
She harder than a dime  
Finna drop the deuce in forward  
Try to scratch a hard nine  
If you trying to find these shoes  
They gonn be hard for you to find  
Rocking presidential rollies, it ain't hard to tell time  
I had my ups, I had my downs  
In my lifetime, committing crimes  
I'm chasing paper everyday  
And it ain't hard to see I grind  
I'm turning up, I'm turning up  
It's gonna be hard to turn me down  
I'm a motherfuckin star and it ain't hard for me to shine  
(straight up)

Papi got dem packs he bout to turn up with dem bands  
Catch some diamonds in your face, if you look over he  
ain't glance  
100 racks in all hundreds, tryna stuff em in my pants  
I'ma make a movie on you, any time I get a chance  
She gonn smash the crew and I don't have to give her  
no advance  
Just to be in Future presence, she do everything I'm  
sayin  
She love the kid, I swear this girl my biggest fan  
I does it big, I take the gwap and make a fan (let's turn  
up)  
I'm in your city with them real niggas whipping work up  
I'm gnarly and I'da call me a wave, surfer  
I'm solar system high, you know I'm faded, off purple  
My shoe game killin these niggas, murder

They say I'm screwed up, and I've been leanin all  
weekend  
With yo girlfriend, loving the crew, The Weeknd  
The new Giuseppe's, I had to purchase by the bundle  
Them presidential Benz's, you can tell I'm doing  
numbers  
They jocked a nigga style and they had turned me to a  
monster  
I was swaggign to the max, I had to turn it to some  
commas  
It fucked wit me a second, got it right back out the  
jungle  
I'm eatin five-star dinners, living like my nigga Stunna  
Get some cash nigga, get some fetti get some lumber  
Make it rain money, make it hurricane, thunder  
Running to the check, while the check steady coming  
I ain't gotta flex, cause I'm really getting money.
