"I Will Exalt"

What can I say,
What can I do
What can I bring
To offer You
There is no gold,
No precious pearl
Nothing compares
To You in this world

Lord here I stand,
With empty hands

I will exalt the One
Who lifted me
Out of the miry clay
To heights of eagles wings
Words cannot express,
All I know is this
You changed me,
You changed me
I can remember
How it used to be
I was so bound,
But now I'm free
I will exalt the One
Who lifted me

I've never known
A Father like You
A love that is strong,
So gentle and true
You hold me close,
Just like a child
Wrapped in Your arms,
There is no doubt
This is the place,
Where I am safe
