You came from out of nowhere just like a sudden
breeze
Hope is now rekindled; You gave my spirit wings.
You offered me salvation; Love on a cross displayed
You healed me with forgiveness, and showered me
with grace

I'm Yours my God
This love, I can't do without
I'm Yours no doubt
I'm Yours

Now that You have found me this journey has begun
You bought me out of darkness; Look what You have
done
So here I stand before You; This world begins to fade
Rejoicing in Your presence; Crying out your name

REPEAT CHORUS

If I'll share in Your suffering
If I'll carry Your cross
Then I'll share in Your glory
Forever in Your arms

REPEAT CHORUS (2X'S)
