Be magnified and lifted high
Open up our eyes
To see Your glory
Give us sight
For we are blind
But long to see
The wonder of Your beauty

Holy Spirit, come
Glorify the Son
Holy Spirit, come
Glorify the Son

In our midst, be glorified
In our praise,
Reveal Your life
In Your love
Alone we're satisfied

Be magnified and lifted high
Only You alone are so worthy
Take my life and make it Yours
And fill it with
The wonder of Your glory

Holy Spirit, come
Glorify the Son
Holy Spirit, come
Glorify the Son
