Verse 1

Lord, You've been so good to me
Lord, You've waited patiently

When I've been far from you, and broke Your heart in
two
It was Your love that brought me back home

Verse 1

Lord, You've always cared for me
Lord, You've been there faithfully

When the teardrops fall, only in Your arms
Can I find strength to face another day

Chorus

Love, look what You've done
You've given me hope where once there was none
Love, You have become the reason I live, my life has
begun
Look what You've done

Verse III

There's no greater love than when
One lays their life down for a friend

That's what You did for me up on Calvary
Though I didn't deserve it at all

Repeat Chorus

Look What You've done

Chorus

Love, look what You've done
You've given me hope where once there was none
Love, You have become the reason I live, my life has
begun
Look what You've done

Lord You've been so good to me
