Verse#2

I'm in Phipps with the sack going crazy
Got some diamonds round my neck no fugazay
Bad bitches in the suite tryna to bathe me
Just a young hood nigga streets raised me
Working wit a unit tryna stretch it to another one
Drinking on that active and it's tasting like some bubble
gum
Thumbing through a check born on a jet
Talking on the Iphone sipping out tha styrofoam
That dirty got my mind gone that money got my mind
blown
VVS and white stones VVS and white stones
I'm rolling like a rolling stone
Free Bandz and Al Capone
And my cash way long (turn up)
I see a bunch of clones

Chorus:

I wear Gucci I wear Prata at the same damn time
On the phone cooking dope at the same damn time
Selling white selling mid at the same damn time
Fucking 2 bad bitches at the same damn time
At the same damn time, at the same damn time
At the same damn time, at the same damn time
I'm at Pluto I'm at Mars at the same damn time
On the sofa popping bottles at the same damn time
Aye

Verse#3

Give me apartment and some water and I can swim
Got that Gambino jumping out tha gym
My young nigga serving J's that's how I clear em
Jumping cross me you know your chances slim
In my aviator gucci like I'm driving planes
When I cash that cash money smell like cocaine
Doing Birdman numbers making flips like Jackie Chan
Walk inside tha jewler drop bale on tha ring
Spent so much in Louie gave me free champagne
In Bal Harbour shopping and they doing tha same thing
And I keep my cup wit me like a pimp
I think I'm Magic Don Juan take a clip
Spike Lee need to get this shit on film
(Movie, future, astronaut)

Chorus:

I wear Gucci I wear Prata at the same damn time

On the phone cooking dope at the same damn time
Selling white selling mid at the same damn time
Fucking 2 bad bitches at the same damn time
At the same damn time, at the same damn time
At the same damn time, at the same damn time
I'm at Pluto I'm at Mars at the same damn time
On the sofa popping bottles at the same damn time
Aye
