"Savior Of My Soul"

Visit "[Savior Of My Soul](#)" on MotoLyrics.com

You're the Savior of my Soul
You're the One I need
My strength to carry on
You breathe new life in me
You came to set me free
No one else can take Your place

You're the Savior of my Soul
You're the one I'm reaching for
You're the King of Kings
You're the Lord of Lords
No one else can take Your place
You're the Savior of my soul
You're the Savior of my soul
You're the end of all my searching,
The beginning of my dreams
The one who knows my
Hopes and fears
Who lives inside of me
