We are here to glorify, and edify, and magnify
The hope we find in You

We have come from near and far
Because of who You are and what You've done
And are about to do

And there is none like You
So we put our trust in You

Glorify, Edify, Magnify.
The reflection of Your promise
Is bursting from inside
Glorify, edify, magnify.
You are Jesus, and we will praise You.

We are here to glorify, and edify, and magnify
The hope we find in You
We have come from near and far
Because of who You are and what You've done
And are about to do.

There is none like You
So we put our trust in You

Glorify, Edify, Magnify.
The reflection of Your promise
Bursting from inside
Glorify, edify, magnify.
You are Jesus, and we will praise You.

And there is none like You.
So we put our trust in You.
(2x)

There is none, there is none like You. (there is none like
You)
So we put our trust, we put our trust in You.

Glorify, Edify, Magnify
The reflection of Your promise
Bursting from inside

Glorify, edify, magnify.
You are Jesus, and we will praise You.
