A cold winter day  
Once on a night  
The trees in the wind are blowing faster than lights  
I walk on the shore  
A day by the sea  
You are always there for me

A day with my mum  
A show with my friends  
And every minute  
And now then a man  
A night without darkness  
One heartbeat for two

So much I give for you

Slowly I can feel  
What it is  
You're doing to me

Chorus:  
(Oh you make me feel)  
You make me feel like winter in true  
You make me feel like clouds on the move  
You make me see  
How my life could be  
You make me feel  
(Oh you make me feel)

A fire is pain me  
a third fire blast  
we're watching the sun said:  
that it's Saturday  
the birds in the sky

that I heard it to find  
the time we're pass in' by

Slowly I can feel  
What it is  
You're doing to me

Chorus:  
(Oh you make me feel)  
You make me feel like winter in true  
You make me feel like clouds on the move  
You make me see  
How my life could be  
You make me feel  
(Oh you make me feel)

Oh you make me feel  
Like a smooth desert rain  
A blood you can see  
I defter my name  
Every time you come here  
YouÂ're doing to me

Chorus:  
(Oh you make me feel)  
You make me feel like winter in true  
You make me feel like clouds on the move  
You make me see  
How my life could be  
You make me feel  
(Oh you make me feel)

You make me feel
