When the hands of time move fast,
And you can't erase the past,
Then close your eyes and you will see,
The ocean of eternity.

Come on take my hand,
And follow me to the promise land,
Hold me close inside your heart,
Let us never fall apart,
The ocean of eternity.

That's the ocean of eternity.
The ocean of eternity.

Ahaaa... ohooo... that's the ocean of eternity,
The ocen of eternity.

A love that lasts eternally,
That's the ocean of eternity.

(The ocean of eternity)

I lay in bed, no lie,
Hey, can you hold me tight,
Then close your eyes and you will see,
The ocen of eternity,
Come on take my hand,
And follow me to the promise land,
Then close your eyes and you will see,
A love that lasts eternally.

(The ocean of eternity)

The ocean, the ocean, the ocean, the ocean of eternity.
A love that lasts eternally,
That's the ocean of eternity
