Oh, beautiful America, land of the free, raped and
wasted youth

If I had just one wish that I could give to you

I'd ask for you to serve me as your finest dish

A fish to fillet, take my bones and exploit my brain

What's not for sale you or me in this so called society?

Why do we bend on knees to these corporate religions

Like zombies in a TV screen?

Feels like life's jail with no key

When you're alone, got no money but I'll never sell my
soul

For your golden cage of rape, yeah, you call free

What do you got?

What do you need?

What's 4 sale?

[Incomprehensible]

Where's the beauty in our lives? Where's the love gone
that we hide?

We sold ourselves on shelves now there's nothing left
to sell

So buy a car and sell your wife, feed kids Ritalin, make
'em right

Keep mouths shut tight, they gotta learn how to fight
right

I'm not sorry mother and while world over

I'll never be a part of your beautiful dream

At least I'm not lost in a sea of designer disease

Glad you're pleased to be, I ain't dead yet you won't
get me

Dad you have it figured out so right

Till mom crashed into a police car that one night

Got her face smashed, back cracked

She needed you bad, you left her bleeding in the gutter

What do you got?

What do you need?

What's 4 sale?

Let's burn some dead presidents on the White House
door steps
I'll take that rag you call a flag, soak up the blood of the
innocent
Bush's skull and bones frat paid for Hitlers conquests

Blood for oil Iraq Texas corporate sponsors
Can't you see through the midst of the brotherhoods
iron fist?
If we don't clear the smoke soon, we going to no exist

What do you got?
What do you need?
Whats 4 sale?

Give it a nice shiny finish to coat my rays
Make millions of civilians to feed the
[Incomprehensible]

So you can fuck me, rape, me
Duct tape my face to a dollar bill and pay to hate me

America won't you please, love me?
