"All I Want"

Visit "[All I Want](#)" on MotoLyrics.com

I will go where glory meets the crude and weak
I will go where mercy meets the shame
I will go where strength will find the small and meek
I will go where magic meets mundane
And Youre all I want, Youre all I want
Youre all Ill find
You have my heart forever
You are all that I could need
I will go where grace and healing love restores
I will go where peace and rest is known
I will go where friendship finds my heart in yours
I will go where beauty leads me home
