"Stay Beside Me"

When my broken world caves in, And the darkness
covers over.
With a love, love, love that heals You come, You make
us one.
So, Jesus, stay with my heart, stay beside me,
You are hope for my soul, You complete me.
You make us one, You make us one.
When Your tenderness surrounds, And Your gentl
whisper finds me.
with a love, love, love that fills You come, You make us
one.
When the beautiful unfolds And my longing touches
heaven
With a love, love love that fills You come, You make us
one.
So, Jesus, stay with my heart, stay beside me,
You are hope for my soul, You complete me.
You make us one, You make us one.
You are love, You are grace
You are kindness and compassion
You are love, You are grace
You are God. (x2)
So, Jesus, stay with my heart, stay beside me,
You are hope for my soul, You complete me.
You make us one, You make us one.
