What I felt  
Wasn't wrong  
Use to be afraid to be this close to you  
Cause in my shadow I'm soothed  
And what it took to make it through  
You wouldn't believe me if I said it was true  
Cause in my shadow I'm proved

Faces move, shadows crawl  
Ain't we the same underneath it all  
Cause in my shadow I'm sued

In my shadow I'm sued  
Don't you try and make me feel real  
In my shadow I'm sued  
Don't you try and make me feel real

How I spell  
Free as strong  
Use to be a muse for hating everything  
Cause in my shadow I'm true  
And what I took  
To give to you  
You couldn't fake it  
So you let me choose  
Cause a broken arrow takes two

Met a psychic  
In the bathroom stall  
She said paint your night until it falls

Cause in my shadow in sued

In my shadow I'm sued  
Don't you try and make me feel real  
In my shadow I'm sued  
Don't you try and make me feel real

In my shadow I'm sued  
Don't you try and make me feel real  
In my shadow I'm sued  
Don't you try and make me feel real

Green is naked  
Teen obscene  
Gloss is empty when gleams  
Roll the marbles  
Fake the team  
Needles ripped  
And broke the seams

In my shadow I'm sued  
Don't you try and make me feel real  
In my shadow I'm sued  
Don't you try and make me feel real

In my shadow I'm sued  
Don't you try and make me feel real  
In my shadow I'm sued  
Don't you try and make me feel real

Try and make me...  
Try and make me...
