

## Future Of Forestry "Gazing"

Visit "[Gazing](#)" on MotoLyrics.com

From this blessed morning, our love constant has been  
pouring  
Pouring out like rivers to your heart  
Glory bells are ringing, I can't keep myself from  
singing  
Singing out like rivers to your heart

Oh Lord, I have found my place  
In this home, this home inside of You  
And here, my Lord, I can see Your face  
In this home, this home inside of You

And like a child, I'm gazing into a wondrous grace  
'Cause you have been along, it felt like sun upon my  
face  
And like a child, I'm gazing into a wondrous love  
It's taking me to places that my heart is dreaming of

Walking, I was crawling and you saw my tears were  
falling  
Falling down like rivers to your heart  
When my world was frozen, God, you've solved my  
prayers, we're flowing

Flowing out like rivers to your heart

Oh Lord, I have found my place  
In this home, this home inside of You  
And here, my Lord, I can see Your face  
In this home, this home inside of You

And like a child, I'm gazing into a wondrous grace  
'Cause you have been along, it felt like sun upon my  
face  
And like a child, I'm gazing into a wondrous love  
It's taking me to places that my heart is dreaming of

Hear the sacred songs that touch the earth and the sky  
See them rise until they move like stars within your  
eyes

And like a child, I'm gazing into a wondrous grace

'Cause you have been along, it felt like sun upon my  
face  
And like a child, I'm gazing into a wonderous love  
It's taking me to places that my heart is dreaming of
