She won't falter easy
And she'll be careful, she'll be coy
But still she paints her heart
Among the musings of a boy

If you find her
Tell her that I love her
And if she hears you
Ask her heart to come

At the break of morning
The day awaits her when she sleeps
Deep inside her dreams
Is all the beauty that she keeps

If you find her
Tell her that I love her
If she hears you
Ask her heart to come

If you find her
Tell her that I love her
If she hears you
Ask her heart to come
