Do you have a minute, to listen to what I gotta say?
About you and me
Don't know where to start but
I wish you were around everyday
Cause when you're gone
I sit around the house, just watching TV
And see the world changing on me

Chorus:

The world keeps changing and I don't know what to do
without you, so listen girl
The sun is shining and the birds are flying
But I feel blue, the world keeps changing on me
Ooh... ooh ooh ooh... ooh ooh ooh ooh
The world keeps changing on me
Ooh... ooh ooh ooh... ooh ooh ooh ooh
The world keeps changing on me

Give me just a second,
You're gonna wanna hear this I'm sure
So sit down baby
When everything's unpleasant
You seem to be the only cure
Cause when you're gone
I sit around the house, just watching TV
And see the world changing on me

Chorus:

The world keeps changing and I don't know what to do
without you, so listen girl
The sun is shining and the birds are flying
But I feel blue, the world keeps changing on me
Ooh... ooh ooh ooh... ooh ooh ooh ooh
The world keeps changing on me
Ooh... ooh ooh ooh... ooh ooh ooh ooh
The world keeps changing on me

Everyday is the same old story, there are
So many troubles in the world and I'm sorry
What more can I say, you clear out the grey
Come bring the sun to me

Chorus:

The world keeps changing and I don't know what to do
without you, so listen girl

The sun is shining and the birds are flying

But I feel blue, the world keeps changing on me

Ooh... ooh ooh ooh... ooh ooh ooh ooh

The world keeps changing on me

Ooh... ooh ooh ooh... ooh ooh ooh ooh

The world keeps changing on me

The World the world is changing

But it's still me and my baby

The World the world is changing

Changing on me (repeat)
