A to B

A to B

Oh to move your

It is a shame, it is a pity

Oh when you can't raise the energy to get from A to B

A to B

A to B

(I asked a question you wouldn't comment)

A to B

(Forget the question think nothing of it)

A to B, oh to move your body

I ask a question, you make a comment

Impossible to make a comment

I ask a question, you make a comment

Can you say that again 'cos I didn't catch your  
comment

And you say you're gonna reform, and you see you  
gotta move

([Incomprehensible])

Well its no excuse it's no excuse, because theres no  
excuse to use

([Incomprehensible])

Why do you say you're gonna reform, and you see you  
gotta move

([Incomprehensible])

Well its no excuse it's no excuse, because theres no  
excuse for you to use

([Incomprehensible])

A to B

(I asked a question you wouldn't comment)

And A to B

(Forget the question think nothing of it)

(Forget all my questions)

A to B

(I asked a question you wouldn't comment)

(Forget all my questions)

A to B, oh to move your body

It is a shame, it's a real pity  
When you have to be lazy, when you have to start early  
Oh when you can't raise the energy to get from A to B
