You have to stay in a hotel
Because your house was falling to pieces
You left your luggage in the hallway
And a thief ran away with it
(He ran away with it)

His excuse was boredom
Tell me how bored you have to be
And I promise you won't be bored
When it gets to the point that you're finished with me

Duh der dum, duh der dum
Duh der dem, duh deh dam
Duh der dum, duh der dum
Duh der dem, duh deh dam

Pick up movements in the dark

That you're finished with me

That you're finished with me
And all the first are ready

Very certain that she has to go
Where do you come from, what do you know?

Of the exit alleys to the front gates
Security's expensive, it can cost a fortune
If you buy your locks from the wrong place
(Duh doo doo, duh doo doo)

It's the area disgrace
It's the area disgrace
It's the area disgrace

Area's in ruin
Area's in ruin
Ruin

When it gets to the point
That you're finished with me
And all the first are ready

Very certain that she has to go
Very certain that she has to go
Very certain that she has to go
Where do you come from, what do you know?
