Misery is a little line  
of a little dash  
it's a subtraction sign.  
Happiness is a little cross  
so if your feeling lust  
use it to add it up.

For crying out loud  
Stop following your crowd  
Stop living in the clouds  
Go and make your mother proud.

Your negativity is ruining you sleep.  
it makes you want to cry on your pillow.  
Your negativity is cultural in your dreams  
So say hello to something only I know.  
I'm struck dumb but I'll give it a go.

All of us are genius  
there's more than enough  
to go between us.  
Everyday you create  
everything in every way.

Laziness the more I pray  
with ignorance they melt away.  
all of us are genius  
there's more than enough  
to go between us.

For crying out loud  
Stop following your crowd  
Stop living in the clods  
Go and make your mother proud.

Your negativity is ruining you sleep.  
it makes you want to cry on your pillow.  
Your negativity is cultural in your dreams  
so say hello to something only i know.  
I'm struck dumb but I'll give it a go.  
Your negativity is ruining you sleep.  
it makes you want to cry on your pillow.

Your negativity is cultural in your dreams  
so say hello to something only I know.  
Iâ€™m struck dumb but Iâ€™ll give it a go.

Your negativity is ruining you sleep.  
it makes you want to cry on your pillow.  
your negativity is cultural in your dreams  
so say hello to something only I know.  
Iâ€™m struck dumb but Iâ€™ll give it a go
