Fee-fi-fo-fum, she said
Something's wrong
Is this just a breakdown?
Yes, another breakdown
And when you're gone
Yes, she said
Can I come?
I never want to break up
She never wants to break up, no
I never want to wake up
I never meant to wake up

Chorus:

And now we've left our friends behind
Even so, isn't this a waste of time?
Giving me a friendly line
And when our thoughts just last a day
Even so, isn't this the price I pay?
Everything is A Ok

And if I fall down, she said,
And I call
Would you come to catch me?
Only time can stop me
And if it goes wrong, she said
If we try, maybe we could make up
Yes, I'd love to make up
I need to make time
I really need to find time

And now we've left our friends behind
Even so, isn't this a waste of time?
Giving me a friendly line
And when our thoughts just last a day
Even so, isn't this the price I pay?
Everything is A Ok

(Chorus)

I'm gone, most the time
And I'm lost all of the rest
Well I'm gone, most the time
And I'm lost all of the rest

Well I'm gone, most the time
And I'm lost all of the rest
I've been waiting and waiting and waiting for this
I've been waiting and waiting for this
For this

And now we've left our friends behind
Even so, isn't this a waste of time?
Giving me a friendly line
And when our thoughts just last a day
Even so, isn't this the price I pay?
Everything is A Ok

(Chorus)
Such a waste of time
Such a friendly line
It's the price I pay
Everything's A Ok
