Close to madness, so demanding
I can't breathe anymore
I'll never be the same again

Please forgive me, and forget me
'Cause it's calling my name, I'll never go back again
Back again, back again, back again

Can I find some more misery?
If it can't be you, then it must be me
And can I find some more for me?
I'll never know, I'll never go back again
Back again, back again, back again

Cold September, I remember
Wishing I was away
I'll never be the same again

Please forgive me and forget me

Cause it's calling my name, it's calling, it's calling
It's calling it's calling, it's calling, it's calling

Can I find some more misery?
If it can't be you, then it must be me
And can I find some more for me?
I'll never know, I'll never go back again

Time to time it's easier
Time to time it gets easier
Again, again, again, again

Can I find some more misery?
If it can't be you, then it must be me
And can I find some more for me?
I'll never know, I'll never go back again
Back again, back again, back again
Back again, back again, back again
Back again, back again
