Here's to the Gods and their seats on high
Nobody knows anything
Here's to the flags in their guilty sky
Nobody says anything

And this aside, this coast is clear
It doesn't help, it doesn't help me

Who am I? Only one more life that you can owe me
It's civilised, it's civilised, it's civil sin
Who am I? Only one more lie so you can own me
It's civilised, it's civilised, it's civil sin

Here's to the crown in their Sunday best
Nobody knows anything
Here's to the crowd, slaves who never rest
Nobody says anything

And this aside, this coast is clear
Until one man buys the whole show
And this aside, my mind is clear
It doesn't help, it doesn't help me

Who am I? Only one more life that you can owe me
It's civilised, it's civilised, it's civil sin
Who am I? Only one more lie so you can own me
It's civilised, it's civilised, it's civil sin

Who am I? Only one more life that you can owe me
It's civilised, it's civilised, it's civil sin
Who am I? Only one more lie so you can own me
It's civilised, it's civilised, it's civil sin
