Feel the force of the blow
That's the price for getting down
Maybe I understand
Just because I'm doing fine

On my own
I'm better off
On my own

Feel the cold of my hands
That's the price for moving on
Taste the shame on my lips
I know, I know I'll do this

On my own
I'm satisfied
On my own

Step aside, let their heart decide
The final kiss goodnight, my love
Tears will fall, years will grow, they say
The final kiss goodbye, my love
Wipe the sleep from your eyes
The last nights lullabies
It's a smack in the face
I know, I know you'll do this

In your own way

Keep the wolf from the door
Spend some time getting well

On your own
We're better off
On our own

Step aside, let their heart decide
The final kiss goodnight, my love
Tears will fall, years will grow, they say
The final kiss goodbye, my love

Step aside, let their heart decide

The final kiss goodnight, my love
Tears will fall, years will grow, they say
The final kiss goodbye, my love
